

On-Board Engineering Corporation

Organizational Announcement

On-Board Engineering Corporation is pleased to announce the assignment of James Neal as a Program/Project Manager at a leading refining client's site effective June 24, 2008. Jim's assignment is an integral component of our organizational focus to provide functional excellence for our client's through quality engineering and program management. Jim will be responsible for the Project Management of multiple capital project initiatives.

Feel free to congratulate Jim on this key assignment for our continued growth.

Richard M. Jervis, Jr.

Richard M. Jervis Jr., P.E.
