On-Board Engineering Nationally Ranked

East Windsor, NJ. April, 2007- On-Board Engineering Corporation is proud to announce that it has been ranked among the TOP 500 Engineering and Design Firms and the TOP 50 Program Management Firms for 2006 by Engineering News Record (ENR) a McGraw-Hill publication. These rankings are based upon revenue reported in their respective areas of service. This achievement marks the eleventh consecutive year that On-Board Engineering has ranked among industry leaders.

East Windsor, NJ based On-Board Engineering Corporation, is part of the On-Board family of companies, specializing in providing professional engineering, design, consulting, construction management and program management solutions to Fortune 500 clients. For more information, contact (609) 945-8000.
